

STAY CONNECTED AT HOME

Spectrum Ready Internet included in your monthly assessment

At Silverwood, staying connected is effortless. Enjoy fast, reliable Internet from day one — up to 1 Gbps — already included in your monthly assessment. A complimentary WiFi pod keeps your home online, while community WiFi in gathering spaces lets you stay connected with neighbors, friends, and all the moments that make Silverwood feel like home.

Building on this seamless connection, Spectrum Ready makes it even easier to stay online. With instant activation, you can stream, work, or connect right away — no delays, no hassle.

Benefits include:

SPECTRUM INTERNET GIG

- Speeds up to 1 Gbps for uploads and downloads
- No data caps
- One (1) FREE WiFi Pod (upon request)

NO INSTALLATION NEEDED

- Nothing to pick up or install and no technician needed - Spectrum's Internet equipment is already installed in each home*
